

BC Geophysical Society

Industry Internship Program Application Form

The BC Geophysical Society (BCGS) is pleased to announce the first **Industry Internship Program** aimed at promoting employment in the natural-resource sector in British Columbia.

The BCGS will provide up to **\$5,000** seed funding to exceptional young geoscientists and geological engineers **residing in BC** with an interest in geophysics to begin their careers in the natural-resource industry. The BCGS will help facilitate the placement for short-term **employment beginning summer 2020**.

Applicants should submit their form, along with a cover letter, as early as possible, but no later than **February 29, 2020**. Scholarship awards will be determined by the Board of Directors of the BCGS after reviewing. Notification of awards will be made by the end of **April 2020**.

The BCGS Executive

Application Form
